III. Recommendation of the Fifth Committee

6. The Fifth Committee recommends to the General Assembly the adoption of the following draft resolution:

Financing of the United Nations Disengagement Observer Force

The General Assembly,

Having considered the reports of the Secretary-General on the financing of the United Nations Disengagement Observer Force[1] and the related reports of the Advisory Committee on Administrative and Budgetary Questions,[2]

Recalling Security Council resolution 350 (1974) of 31 May 1974, by which the Council established the United Nations Disengagement Observer Force, and the subsequent resolutions by which the Council extended the mandate of the Force, the latest of which was resolution 1276 (1999) of 24 November 1999,

Recalling also its resolution 3211 B (XXIX) of 29 November 1974 on the financing of the United Nations Emergency Force and the United Nations Disengagement Observer Force, and its subsequent resolutions thereon, the latest of which was resolution 53/226 of 8 June 1999,

Reaffirming that the costs of the Force are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recalling its previous decisions regarding the fact that, in order to meet the expenditures caused by the Force, a different procedure is required from that applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such an operation,

Bearing in mind the special responsibilities of the permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

[1] A/54/707 and Corr.1 and A/54/732.
[2] A/54/841 and Add.1.

Noting with appreciation that voluntary contributions have been made to the Force,

Mindful of the fact that it is essential to provide the Force with the necessary financial resources to enable it to fulfil its responsibilities under the relevant resolutions of the Security Council,

Concerned that the surplus balances in the Special Account for the Force have been used to meet expenses of the Force in order to compensate for the lack of income resulting from non-payment and late payment by Member States of their contributions,

Bearing in mind the reported hardships incurred by the local staff upon the relocation of the headquarters of the Force from Damascus to Camp Faouar,

1. *Notes* that some of the concerns regarding the improvement of the working conditions of the local staff in the United Nations Disengagement Observer Force have been addressed;

2. *Requests* the Secretary-General to continue the process of improving the working conditions of the local staff, including making allowance regarding difficulties resulting from the relocation of the headquarters of the Force from Damascus to Camp Faouar, through mutual and fruitful dialogue;

3. *Takes note* of the status of contributions to the United Nations Disengagement Observer Force as at 30 April 2000, including the contributions outstanding in the amount of 17 million United States dollars, representing some 1.4 per cent of the total assessed contributions from the inception of the Force to the period ending 31 May 2000, notes that some 24 per cent of the Member States have paid their assessed contributions in full, and urges all other Member States concerned, in particular those in arrears, to ensure the payment of their outstanding assessed contributions;

4. *Expresses its appreciation* to those Member States which have paid their assessed contributions in full;

5. *Expresses concern* about the financial situation with regard to peacekeeping activities, in particular as regards the reimbursements to troop contributors that bear additional burdens owing to overdue payments by Member States of their assessments;

6. *Urges* all other Member States to make every possible effort to ensure payment of their assessed contributions to the Force in full and on time;

7. *Expresses concern* at the delay experienced by the Secretary-General in deploying and providing adequate resources to some recent peacekeeping missions, in particular those in Africa;

8. *Emphasizes* that all future and existing peacekeeping missions shall be given equal and non-discriminatory treatment in respect of financial and administrative arrangements;

9. *Also emphasizes* that all peacekeeping missions shall be provided with adequate resources for the effective and efficient discharge of their respective mandates;

10. *Requests* the Secretary-General to make the fullest possible use of facilities and equipment at the United Nations Logistics Base at Brindisi, Italy, in order to minimize the costs of procurement for the Force, and for this purpose requests the Secretary-General to speed up the implementation of the asset management system at all peacekeeping missions in accordance with General Assembly resolution 52/1 of 15 October 1997;

11. *Endorses* the conclusions and recommendations contained in the report of the Advisory Committee on Administrative and Budgetary Questions,[3] and requests the Secretary-General to ensure their full implementation;

12. *Requests* the Secretary-General to take all necessary action to ensure that the Force is administered with a maximum of efficiency and economy;

13. *Also requests* the Secretary-General, in order to reduce the cost of employing General Service staff, to continue efforts to recruit local staff for the Force against General Service posts, commensurate with the requirements of the Force;

14. *Decides* to appropriate to the Special Account for the United Nations Disengagement Observer Force the amount of 36,975,496 dollars gross (35,924,037 dollars net) for the maintenance of the Force for the period from 1 July 2000 to 30 June 2001, inclusive of the amount of 1,754,501 dollars gross (1,484,675 dollars net) for the support account for peacekeeping operations and the amount of 274,295 dollars gross (244,062 dollars net) for the United Nations Logistics Base at Brindisi, Italy;
